# Magic Shoes

If I had magic shoes  
Do you know what I'd do?  
I'd skate all over town  
and then come back to you.

If I had magic shoes  
Do you know what I'd do?  
I'd walk right up the wall  
and then come back to you.

If I had magic shoes  
Do you know what I'd do?  
I'd run around the world  
and then come back to you.
