

PENNY'S RECIPE

FOR HEROIC DOG BISCUITS

PREPARE YOUR BISCUITS:

Please ask an adult to help with this activity.

Preheat oven to 350°. Break eggs into a bowl. Add milk and wheat germ and stir together with a fork or whisk until fully blended. Add flour and parsley flakes. Use your hands to mix it all up. Work your mixture together until you have a nice consistent dough. Place dough on a lightly floured surface, then roll out 1/4 inch thick. Cut into rectangular shapes. Place cookies 1 inch apart on an ungreased cookie sheet.

IT'S TIME TO DECORATE:

Set your stencil on top of one of your biscuits and brush with egg white. Carefully sprinkle your glitter sugar on top until the lightning bolt shape is covered. Gently remove the stencil and excess sprinkles. Repeat until all your biscuits have been decorated.

BAKING INSTRUCTIONS:

Place on an ungreased baking sheet. Bake 350 F, 20-25 minutes, depending on thickness of biscuits.

Leave in oven 20 minutes after turning oven off to crisp.
