

Animal Cards and Skeleton Cards

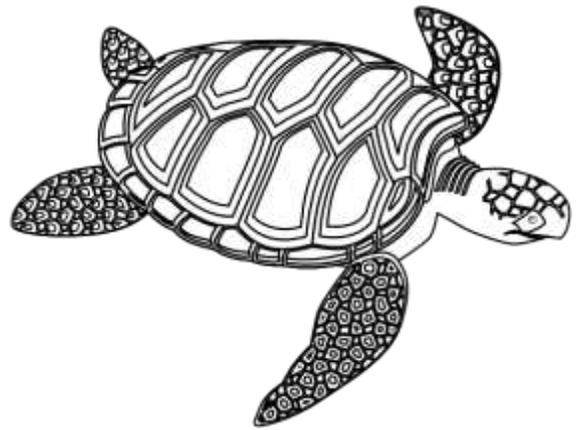

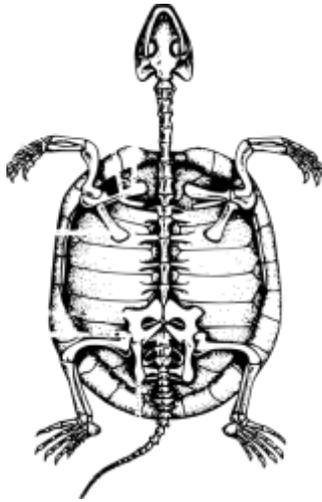

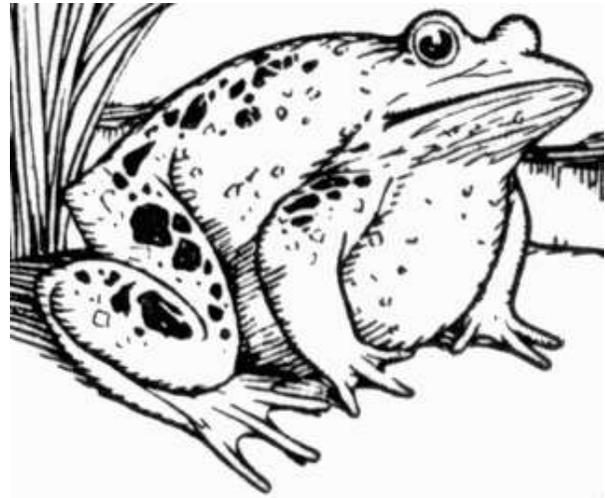

Match the Skeletal System

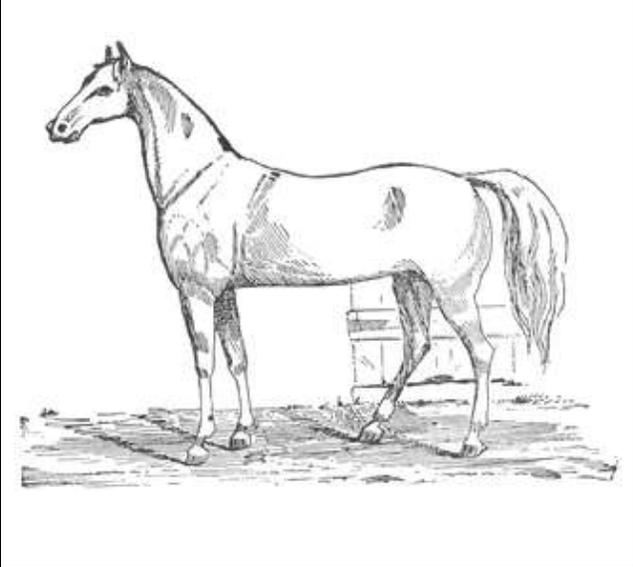

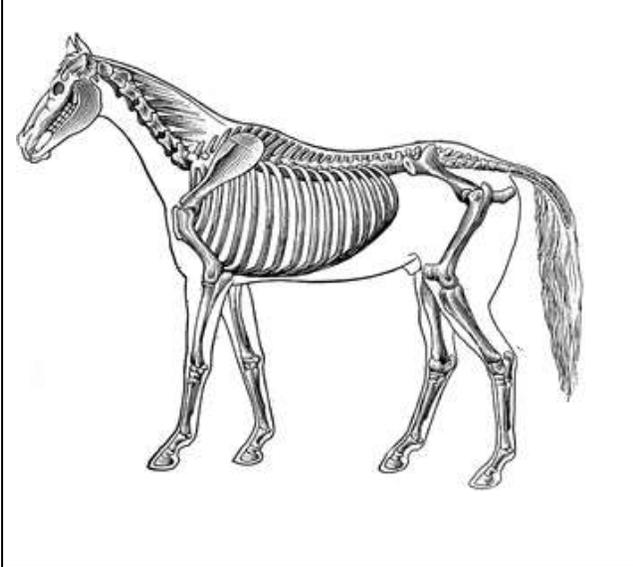

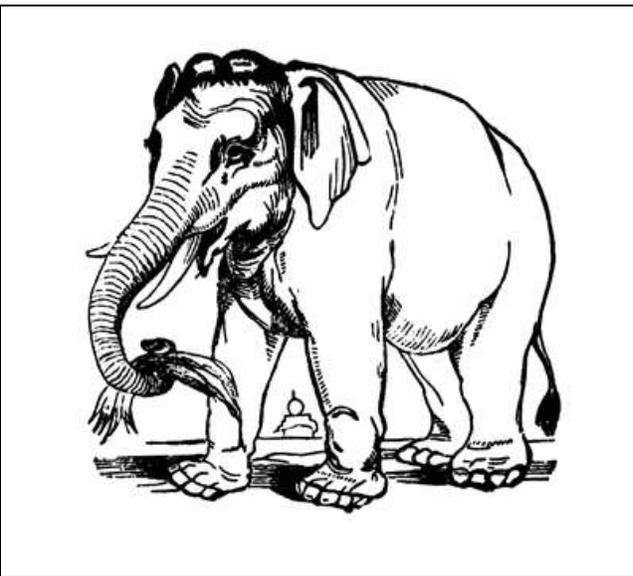

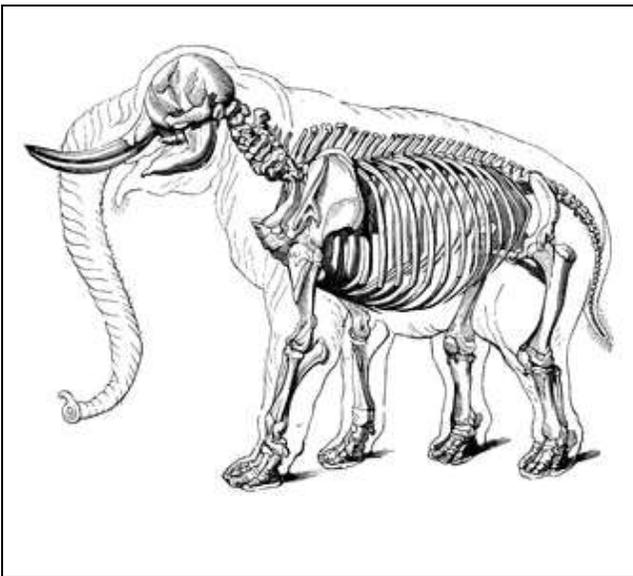

A to Z Kids Stuff

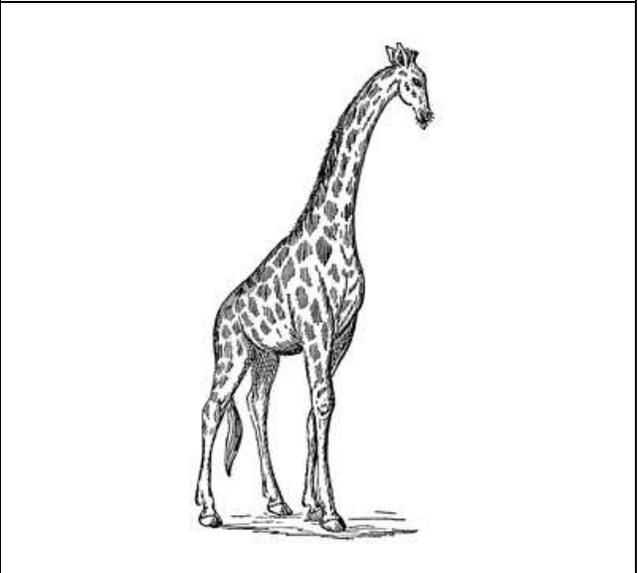

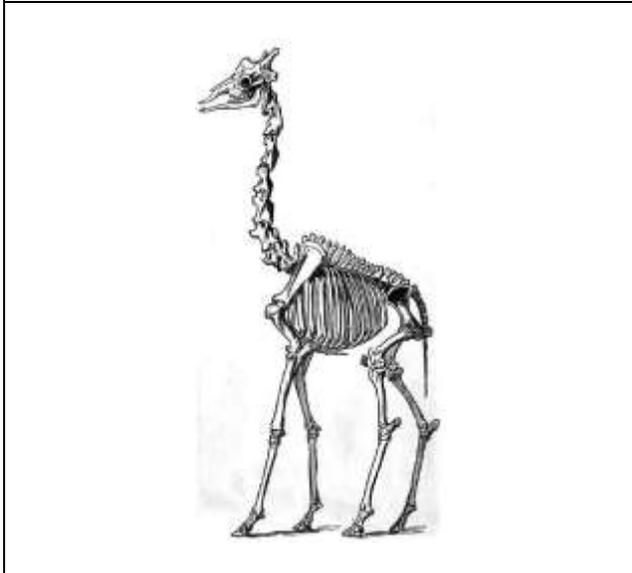

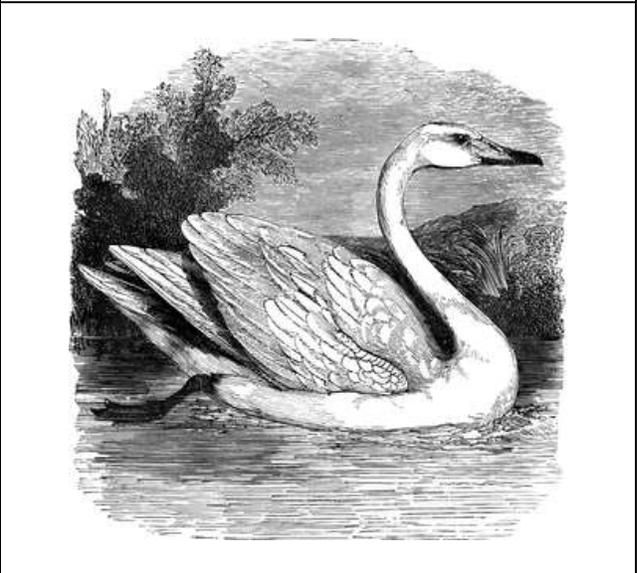

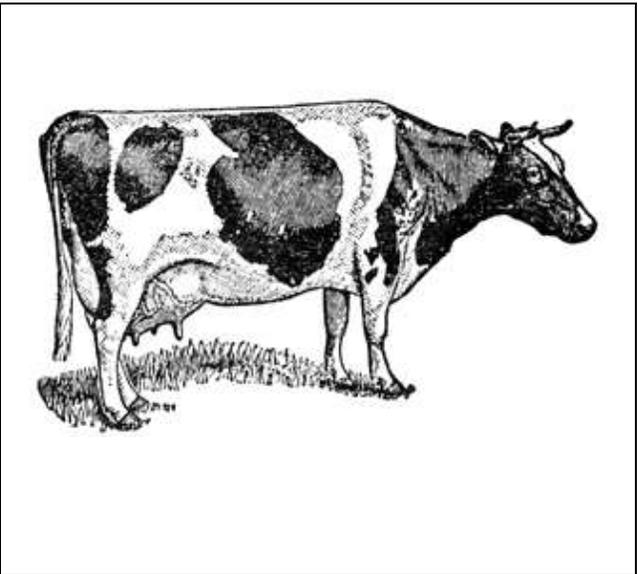

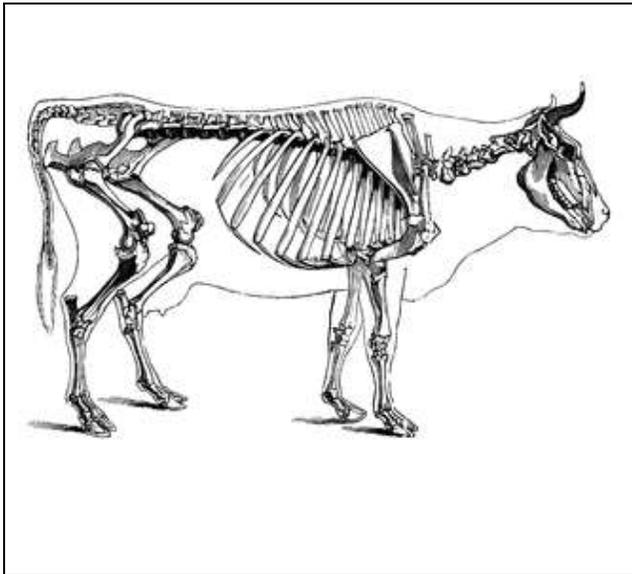

Center: Print and cut cards apart. Place in an envelope. Students match the animal skeleton card to the animal card.

Activity: Print out a set of cards for each child, place in an envelope. Students glue the matching pictures (skeleton & animal) next to each other on construction paper. Hang up as a classroom display.

Book: Print out a set of cards and animal names for each child, place in an envelope. Students glue matching pictures (skeleton & animal) with the animal's name on white paper. Student designs a cover for the book. Staple together.
